Education

- ArtCenter College Of Design, Pasadena CA
Bachelors of Science in Product Design, 2018
Pasadena City College, Product Design Studies 2012-2013
ArtCenter At Night, Product Design Studies 2012-2013
Community College, General Education Studies, 2005-2012

Experience

- Nephrology Presentation Poster - Roberts Enterprises - 2016
 - Showcased the results of a nephrologist's research project
 - Experience takeaways:
 - How to make your point for design with non-designer
 - Making data more visually appealing while maintaining understandability
- The Future of Mobile Devices - Class Sponsored by Google - 2016
 - Designed an augmented reality product and interface for EMTs
 - Experience takeaways:
 - Experience working cohesively in groups with people from different majors.
 - The realization of how much AR can change our life, but also how hard it can be to only create positive changes.
- 3 Day Intensive Bag Making Workshop by Douglas Davidson of Brown Buffalo - 2018
 - Worked through the process of bag making and assembly from initial fabric cutout to final assembly.
 - Experience takeaways:
 - The importance of preplanning the order of operations for final assembly.
 - The importance of being able to have a positive dialog with your manufacturers.
 - Experience with the many differences between homemade work and any scale of industrial manufacturing.
- Future Car Interiors - Class Sponsored by KIA - 2018
 - Designed interior of a fully autonomous car for the blind.
 - Experience takeaways:
 - The application of product design steps and methodology in a different industry.
 - A deeper understanding of the difficulty people with handicaps face and how we fail to address them.

Honors

- Provost's List, Summer 2015, ArtCenter College of Design (for a 3.813 GPA)

Skills

- Sewing
- Softgoods
- Solidworks
- Rhino
- Keyshot
- Digital Sketching
- Marker Drawing
- Hand Sketching
- Mechanical Drafting
- Mockup Creation
- Ethnographic Research
- Illustrator
- Photoshop
- InDesign
- Keynote
- Pages

Hobbies

- Designing and constructing scale medieval siege weapons
- Chainmail making
- Swimming
- Knitting
- Minecraft world building
